

TruBio™ Can Liners

Photodegradable. Durable. Game Changing.

TruBio™ liners are created from ECOgrade™ resin—containing 30% natural materials. Liners are fully photodegradable within 240 days. Perfect for eco-conscious customers who need serious performance.

Key Benefits:

- Certified compostable and photodegradable (ASTM D5272 compliant)
- Strong enough for wet, organic, and bulky waste
- Reduces plastic use and carbon footprint
